dynabook

Satellite Pro C40-Q | C60-Q

Model: C60-Q

Everyday Business. A Size to Suit.

The Dynabook Satellite Pro C40-Q and C60-Q combine everyday performance, modern connectivity and essential security in a Sterling Grey design. Choose the compact 14" C40-Q for work on the go, or the larger 16" C60-Q for more screen space and a dedicated numeric keypad.

Performance for Everyday Work

Intel® Core™ Series 3 processors, Intel® Graphics and onboard LPDDR5x memory support multitasking, with PCIe NVMe SSD for storage.

More Room to Work

Available in 14" and 16" sizes, the WUXGA 16:10 display provides extra vertical workspace for documents, spreadsheets and everyday applications.

Comfortable, Practical Design

A spill-resistant backlit keyboard supports comfortable typing, while the C60-Q's dedicated numeric keypad makes entering numbers easier.

Connect with Ease

Intel® Wi-Fi 7 and Gigabit LAN support network access, with HDMI®, USB-C and USB-A ports for connecting optional displays and accessories.

Video Call Ready

An FHD webcam, stereo speakers and dual microphones support everyday collaboration. A built-in privacy shutter lets you cover the camera between calls.

Essential Business Security

Microsoft® Windows 11 Pro and fTPM 2.0 support business security, with fingerprint and Windows Hello™ face authentication available as optional features.
