

# Flexibility to Work Your Way

**PORTÉGÉ® X30W-K**

**2-IN-1 CONVERTIBLE**

When success hinges on flexibility, the impressively thin and light Portégé® X30W-K 2-in-1 convertible from Dynabook is both the perfect laptop and perfect tablet for whatever the workday brings. The ultra-bright 13.3" multi-touch display and Windows Ink® create a high performance canvas for creative freedom. With new full performance 13th Gen Intel® Core™ processors with new hybrid architecture, and up to 32GB of LPDDR5 memory, this Intel® Evo™ platform 2-in-1 convertible laptop is faster and more efficient than ever!

## PORTÉGÉ® X30W-K

### Processor

Configurable with ultra-powerful and highly efficient 13th Gen Intel® Core™ processors and Intel® Iris® Xe graphics, the Portégé® X30W-K delivers the industry-leading speed, visuals, security and enhance connectivity features demanded by modern businesses.

### Windows 11 Ready

The Portégé® X30W-K comes pre-configured with Windows 11 Pro, one of the most widely utilised and secure computer operating systems for businesses. Windows 11 Pro provides enhanced productivity features that deliver users a more personalised and intuitive user experience. Built on the consistent and compatible Windows 10 foundation, Windows 11 can be managed with familiar tools and processes.

### Pen to Paper Experience

With Windows Ink® Technology, a multi-touch display and Wacom® digital pen, the Portégé X30W-K in tablet mode provides a natural pen on paper writing experience - for art and design, note taking, signature capture, sketching ideas, completing forms and more.

### Dynabook's Lightest 13", Intel Evo™ Windows 11 2-in-1 Convertible

For artists, entrepreneurs and everyone in between, the Windows 11-powered Portege® X30W-K 2-in-1 convertible laptop was designed to foster next level creativity and take care of business from literally anywhere. Boasting a super light, magnesium alloy chassis weighing from under 1kg, the Portege X30W-K takes ultra-light portability to new extremes.

### Tap Your Inner Artist

With a premium, modern laptop design that offers the robust flexibility of a tablet, the Portege X30W-K provides the perfect platform for converting ideas into reality. Its vibrant, Corning® Gorilla® Glass reinforced 13.3" multitouch display offers crisp colours and sharp detail at all angles. The included Wacom® digital pen instantly converts the Portege X30W-K into the perfect canvas with natural pen-to-paper feel thanks to its precision pressure sensitivity, natural tilt recognition and lag-free response.

### Limitless Performance for Unparalleled Productivity

With full-performance 13th Gen Intel® Core™ processor options and Intel® Iris® Xe graphics the Portege X30W-K benefits from the massive performance boost and enhanced efficiency afforded by Intel's all-new hybrid architecture. Configurable up to 32GB of LPDDR5 and reinforced with ultra-fast SSD storage, Wi-Fi 6E and Thunderbolt™ 4, the Portege X30W-K delivers uncompromising performance.

**Tested to Military Standards for Extreme Durability** With its high-strength magnesium alloy chassis, bonded Gorilla® Glass and more, the Portege X30W-K was engineered to meet MIL-STD-810H standards for durability and endurance to provide protection against accidental damage. Dynabook conducts extreme testing on the hinges of its 2-in-1 laptops, simulating work usage to ensure durable functionality.

### Display

Featuring an energy-efficient, Corning® Gorilla® Glass reinforced 1080p multi-touch IGZO display, the Portégé® X30W-K provides the perfect picture, complete with vivid colour and sharp details, in all lighting conditions.

### Hear and Be Heard with Lifelike Clarity

Great for music or video production, digital composing and more, the powerful Harman Kardon® speakers deliver fantastic sound quality with impressive dynamic range. Dolby Atmos® further enhances the listening experience by adding incredible depth and dimension to music and movies. Dual microphones provide excellent noise cancellation for crystal clear conferencing.

### Simple and Fast Connectivity

With data transfer speeds up to 40Gbps<sup>3</sup>, the Thunderbolt™ 4 ports of the Portégé® X30W-K enables connection to an endless variety of modern peripherals, while enabling single-cable access to fast charging, external displays, extended storage, and accessories. It can even support up to four external 4K displays with Dynabook's docking solutions.

### A Stroke of Genius

Despite having an ultra-compact form factor, the Portégé® X30W-K is equipped with a full size, backlit keyboard that offers a natural typing experience, even in the dark. When used in tablet mode, the keyboard is automatically disabled to prevent accidental keystrokes.

### Next Level Connectivity

Beyond its ultra-flexible, ultrafast Thunderbolt™ 4 ports, the Portege X30W-K features a mix of full-size ports, including HDMI® and USB-A (with Sleep & Charge) for seamless, adapter-free wired connectivity. To further boost the capabilities of Thunderbolt 4, Dynabook offers wired docking solutions that seamlessly connects up to four external displays, as well as a variety of other USB and USB-C® accessories with a single cable connection.

### Advanced Security for Handling Mission Critical Data

As a leading Secured-Core PC provider, Dynabook equips the Portege X30W-K with advanced security features to ensure resistance to current and future cyber threats. (Available on vPro models only). Dynabook also writes its own BIOS, providing a unique and secure foundation. Further bolstering security, this laptop can be equipped with face and fingerprint (optional with Securepad) biometric recognition and TPM 2.0.

### A Unique Perspective

A front-facing HD webcam ensures clear video conferencing, while the integrated lens shutter offers privacy at the flick of a finger. The additional 8MP world-facing camera with anti-glare coating allows you to take highquality photos and shoot video in the field or on site when used in tablet mode.

### Warranty<sup>2</sup>

3 years standard warranty.
