

Power meets Performance

PORTÉGÉ® X40-P

Unleash superior performance and sleek design with the Portégé X40-P. Featuring the latest Intel® Core™ Ultra Series 3 processors, Intel® Graphics and up to 32GB LPDDR5x memory, this powerhouse ensures you are equipped for the most demanding tasks. The 14.0" WUXGA display, enhanced with a higher resolution 5MP web camera option and a robust aluminium alloy chassis, makes it perfect for professionals on the go. Stay productive all day with the large 60Wh battery.

Premium Performance

Unleashing speed and efficiency like never before, the Portégé X40-P is equipped with Intel® Core™ Ultra Series 3 processors featuring a Neural Processing Unit and Intel® graphics. Experience amazing performance and extended battery life.

Connect Away

Stay seamlessly connected with Wi-Fi 7 and a full range of ports including HDMI, Thunderbolt 4, USB Type-A, USB Type-C and a microSD card slot. You will have every connection you need right at your fingertips.

Longer Lasting Battery Life

The 60Wh battery ensures you stay productive for longer. Plus, with a Sleep & Charge port, you can charge your USB devices even when the laptop is off.

Ready For Anywhere

The Portégé X40-P is built for today's work environment, featuring a 5MP AI-enhanced webcam, dual microphones and an audio system with DTS processing for clear, productive video conferencing.

Visually Appealing

Enjoy the 14.0" WUXGA display with a 16:10 aspect ratio (touch optional), offering crisp, clear visuals and more vertical workspace for better multitasking and productivity.

Advanced Security

Dynabook's Windows 11 PC laptops integrate robust hardware and software defences to provide advanced security. These laptops protect against sophisticated cyber threats with specialised hardware protection and firmware safeguards, ensuring unparalleled security from boot up.

Copilot Ready and Empowered

Meet Copilot, your AI assistant accessible via a dedicated key. It streamlines tasks like launching apps and adjusting system settings through voice or text commands, enhancing your efficiency and device navigation.
