

Business Performance, Refined.

TECRA® A40-P

Step into smarter productivity with the Tecra® A40-P. Designed for modern professionals, this 14.0" business class laptop combines performance, portability and reliability in a compact form factor. Powered by Intel® Core™ Ultra Series 3 processors, it delivers responsive performance with integrated AI capabilities to support the way people work today.

With LPDDR5x memory, Intel® graphics and storage up to 512GB PCIe NVMe SSD, the Tecra A40-P is built to keep pace with demanding workloads. Reliable, durable and secured at the core, it brings together intelligent performance, seamless collaboration and trusted Dynabook quality.

Unmatched Speed and Efficiency

Powered by Intel® Core™ Ultra Series 3 processors with an integrated Neural Processing Unit (NPU), the Tecra® A40-P is ready for next generation AI workloads. Combined with Intel® graphics, it delivers smooth multitasking, responsive performance and optimised power efficiency to support productivity throughout the working day.

Optimised for Everyday Productivity

The 14.0" WUXGA 16:10 display offers sharp detail and additional vertical workspace, making it easier to manage documents, presentations and multitasking. Touch screen option is available for added flexibility.

Advanced Security

Dynabook's Microsoft Windows 11 Pro for Copilot+PC, provides built-in protection at the hardware and firmware level. With features such as dTPM 2.0 and optional biometric authentication, the Tecra A40-P helps safeguard data, identities and workflows without disrupting productivity.

Built for Business Durability

Designed to meet MIL-STD-810H testing standards, the Tecra A40-P is engineered to handle the realities of everyday business use. Backed by Dynabook's proven quality and a 3-year international limited warranty (All batteries have a 1-year warranty), it is built for long term reliability.

Empowered with Copilot Plus

Access Copilot+ instantly via the dedicated key. Your built-in AI assistant helps simplify tasks, navigate your device and streamline workflows using voice or text commands, fully integrated into Microsoft Windows 11 Pro for Copilot+PC.

Superfast Connectivity

Stay connected wherever work takes you. With Intel® Wi-Fi 7, Thunderbolt™ 4 and a full range of ports including HDMI, USB Type-A, RJ-45 LAN and a microSD card slot, the Tecra A40-P supports flexible and reliable connectivity.

Seamless Collaboration Anywhere

Work and connect with clarity. A 5MP AI-enhanced webcam, dual microphones and DTS® Audio Processing deliver clear video and sound, supporting effective collaboration across meetings, calls and hybrid work environments.

Platform Specifications and Configurable Options

Operating System

Windows 11 Pro for Copilot+PC

Processor

Up to Intel® Core™ Ultra 7 vPro Series 3

Graphics

Intel® Graphics

Memory

LPDDR5x Onboard configurable up to 32GB
Dual channel support

Display

14.0" WUXGA 16:10 (1920xRGBx1200)
Touch Screen optional

Storage

PCIe NVMe SSD up to 512GB

Communications

Intel® Ethernet Connection i219
Intel® Wi-Fi 7
Bluetooth™

Camera w/ Privacy Shutter

5MP webcam
Optional IR camera for Windows Hello™ Face Sign-in

Audio

Stereo speakers
Dual microphone array
DTS® Audio Processing

Ports

HDMI®
Two (2) USB-C ports supporting Thunderbolt™ 4
Two (2) USB 3.2 Gen 1 Type-A ports (one with Sleep & Charge)
RJ-45 Ethernet LAN port
Headset jack (Microphone/Headphone combo port)
microSD card slot

Security

Trusted Platform Module (dTPM) 2.0
Optional fingerprint reader
Security lock slot
Microsoft Secured-core PC (vPro models)

Input Devices

Spill-resistant keyboard with backlight
Microsoft Copilot+ key
ClickPad

Battery

Li-Polymer 60Wh battery

Physical Description

Designed to pass MIL-STD-810H methodologies

Dark Blue polycarbonate ABS chassis

Dimensions:

313.2 x 220.9 x 19.9mm
Starting from 1.49kg

Regulatory/ Environmental Specifications

ENERGY STAR® qualified
RoHS compliant

Warranty

3 year international limited warranty (excluding batteries, 1 year on batteries)
